PA = Performing Arts class for competition. Class will focus on competition choreography and performance skills. Tuition for this class is based on regular tuition rates plus \$2.50/hour.

PAT = Performing Arts Technique. Technique class required for dancers performing in that style. Dancers must have exceptional attendance, work ethic and focus. Tuition for these classes is based on regular tuition rates. ACRO/PAT required for all PA ACRO dancers.

STYLE/PAT = Italics indicate additional programming we recommend for competitive dancers. If you are studying only two forms of dance, we ask that you take these classes in the style you are competing. This will help to build your technical foundation and to progress to the next level.

COMPANY = This year we are planning to use all second year competitors to set a production number using hip hop, jazz, tap, tumbling, and lyrical/ballet. Some of the skills and choreography for this piece will be taught in your PA and PAT classes. First year competitors may audition to participate in this group. The fee is \$2.50/hour of rehearsal. Auditions will be during the first class meeting.

REGULAR CLASSES = Regular classes that we recommend to round out your PA training.

PA JR AND SR TAP – Must wear Capezio CG09 Style shoes. SR tappers may also wear CG100, M60, or Bloch SO361L. TEEN TAP must wear Capezio C561 (Heeled tap shoes).

ATTENDANCE – Exceptional attendance is expected to participate in the PA program. “Excused” absences are: death in family, scheduled school programs, baptism, confirmation or dedication of you or a member of your immediate family, wedding of a member of your immediate family, or if you are deathly ill or infectious. If you are injured or mildly ill, you should watch class. Dancer understands that by missing more than one class per month, she will be moved to non PA/PAT classes, and that all costume, competition, and rehearsal fees are non-refundable.
